Controls Pages

On the next page, you will find two options for the controls page.

One has three buttons – this is for a student at A.1 to A.3 on the Writing with All Tools Continuum.

The second option has 6 buttons and this is the appropriate option for students who are at A.4 and above on the Writing with All Tools Continuum

Please print and use the appropriate controls page for your student

mistake (delete letter)

write it again

ABC
another letter

space

get my book/talker

finish

yes: write the letter again and rescan this page

yes: follow through as indicated

no: re-scan controls; if no response begin scanning again at a - d
